## CLEAN SEAL FLANGE SPEC SHEET

Launched in 2011, the Clean Seal Flanges were introduced as an easier, more ergonomic alternative to the traditional cumbersome blanking flanges. The Clean Seal Flanges eliminated the need for multiple screws, bolts and tooling that other flange caps required. In addition, the design allowed for easy assembly and removal by only one person, and its universal fit allows each Clean Seal Flange to work with nearly any style flange including code 61, 62, CAT and Komatsu flanges.

### Features:

Each Clean Seal Flange comes with one spare Viton O-ring and one spare D-Ring for easy replacement of lost or damaged flange seals; Large knurled grip surface; locking and anti-jamming O-rings for ease of use; Engraved part numbers and color-coded sizes for easy identification; Built-in spanner wrench holes for tightening.\*

\*Spanner wrench not included

### Specifications:

| Part Number | Hyd. Dash Size | Nominal Inch | Color Code   | Weight | Weight | Net Dimensions<br>(LxWxH) Imperial | Net Dimensions<br>(LxWxH) Metric |
|-------------|----------------|--------------|--------------|--------|--------|------------------------------------|----------------------------------|
|             |                |              |              | Lbs.   | Kg.    |                                    |                                  |
| UC-CSF-8    | -8             | 1/2"         | Silver/Black | 0.25   | 0.12   | 2" x 2" x 1.75"                    | 0.051m X 0.051m X 0.044m         |
| UC-CSF-10   | -10            | 5/8"         | Red/Black    | 0.35   | 0.16   | 2.25" x 2.25" x 1.75"              | 0.057m X 0.057m X 0.044m         |
| UC-CSF-12   | -12            | 3/4"         | Blue/Black   | 0.45   | 0.2    | 2.5" x 2.5" x 2"                   | 0.064m X 0.064m X 0.051m         |
| UC-CSF-16   | -16            | 1"           | Green/Black  | 0.5    | 0.24   | 2.75" x 2.75" x 2"                 | 0.07m X 0.07m X 0.051m           |
| UC-CSF-20   | -20            | 1-1/4"       | Gold/Black   | 0.6    | 0.28   | 3" x 3" x 2"                       | 0.076m X 0.076m X 0.051m         |
| UC-CSF-24   | -24            | 1-1/2"       | Orange/Black | 1.05   | 0.46   | 3.75" x 3.75" x 2"                 | 0.095m x 0.095m x 0.051m         |
| UC-CSF-32   | -32            | 2"           | Black/Black  | 1.6    | 0.72   | 4.75" x 4.75" x 2"                 | 0.121m X 0.121m X 0.051m         |

### Materials:

6061 High Tensile Machined Aluminum  
Viton O-Rings & D-Rings

*THE CLEAN SEAL FLANGES ARE NOT BUILT FOR PRESSURE!*
